Earth's Best and Brightest: Who's Your Nominee?

Become a supporter of budding researchers in the early stages of their careers and help promote the innovative use of EO technology by submitting your nomination for the EO Excellence Award! Your support and encouragement will boost the scientific excellence of young researchers to the next level.

The EO Excellence Award recognises and celebrates innovation and outstanding contributions in the field of Earth observation.

These are the prizes we offer:

- Individual awardee may receive a maximum of 35K Euro
- Team awardee may receive up to 65K Euro

Which can be used for:

- ▶ Travel grants for research and networking.
- ▶ Purchasing Earth Observation data.
- ▶ On-site data collection.

CALL FOR NOMINATIONS OPEN NOW! →

The call for nomination is open
until 15 December 2023
